Please use the browser below to select and share pertinent images supporting your bid for an award.

If there is a web site (or sites) you'd like to share related to this bid for an award, please enter the specific URL(s) below.
(up to 3)

In addition to the PDFs already submitted for the judges to review, please use the following browser to submit a high-resolution image for publication production purposes in the event the submission wins. The file may be the same as one already submitted, but will need to be re-submitted here. This image will not be seen by the judges, so be sure you submitted PDFs in the earlier step for their review.
