

PROJECT OF THE YEAR

What is the name of the project you are submitting? *Note that multiple entries may be filed by clicking "New Entry" on the instruction page. You will be returned to the instruction page after reviewing and submitting this entry. Enter only one here.*

Where is the project located?

City:

State:

Who is the client for this project (or the developer, if relevant)?

Please list other members of the project team, including (if applicable) the architect, MEP engineers, general contractors, other key consultants.

If there were one or two individuals from this team that you would like to nominate as your team's "net zero champion" (that is, someone who was really at the heart of keeping the project/process going), please provide their name(s) and tell us why in the box below.

In what market sector is this project?

office
public government
healthcare
education
retail
hospitality
cultural
other

Project Size/Scope

square footage:
number of stories:
EUI (energy use intensity IN kBtu/sq. ft.):
% of operations offset with renewables:

Please describe the project as a whole, including the goal(s) of the project. *(1,500 character limit; roughly 300 words)*

Please briefly describe highlights of the following systems: *(1,500 character limit; roughly 300 words each)*

Envelope
HVAC
Daylighting measures
Electric lighting
Use of on-site renewables
Water conservation measures

Please describe your team and design/construction integration process that allowed you to achieve net zero or near net zero status. *(1,500 character limit; roughly 300 words)*

Please describe any pre-modeling data analytics, as well as any energy modeling efforts involved in the project. *(1,500 character limit; roughly 300 words)*

Please describe any commissioning and continuous commissioning efforts if applicable. *(1,500 character limit; roughly 300 words)*

Please describe some of the products/technologies that helped you meet various goals. *(1,500 character limit; roughly 300 words)*

What were some of the key lessons learned you plan to carry to your next project? *(1,500 character limit; roughly 300 words)*

Please use the browser below to select and share pertinent images supporting your bid for an award.

If there is a web site (or sites) you'd like to share related to this bid for an award, please enter the specific URL(s) below. *(up to 3)*
